SOLO TASKS

Blank - Osvaldo: * - Aldair

1. Take boulders to the top of the hill on top of three different sized pedestals.
    a. There are three boulders of various sizes that must be taken to the top of three different hills. Each hill has a pedestal that would only accommodate one boulder of the specific size.
2. Untie all the knots and liberate the trapped person.
    a. There is a line of tied string that leads to a cave hanging with tied string. On the ceiling of the cave is a person trapped by their own curiosity. The only way to free the person is to untie every connected knot
3. Place the golden apple upon the golden plate.
    a. A trickster set the challenge of obtaining a golden apple and placing it upon a golden plate. The apple must be treated delicately as it can't touch the ground or it'll shatter. The trickster showcased the plate, but before returning with the apple, hid the plate.
4. Determine the identity of the object, with the guardian only speaking in numbers.
    a. This gate guardian only allows passage to those who can determine the object they are hiding. Questions may be asked, but the only responses are numbers instead of yes and no.
5. Transport the packages without dropping them or alerting the guardian.
    a. The fragile packages must be carried in the dark, but the terrain practically forces the use of a lamp. The guardian, however, is nodding off as they fight off sleep. A glimmer of light or the sound of a broken package and they are alerted.
6. Protect the feast.

    a. There is a foreign intruder coming soon to devour the feast. Since the feast is hosted by pacifists, the intruder must not be attacked nor can the feast be moved elsewhere.

7. Deliver a delicate egg to a king.
    a. The egg belongs to the king of a far land. Even holding the egg in one's hand would cause the egg to crack.

8. Capture the running man.
    a. A man has been accused of robbing the local shop and is making a run for it. Unfortunately, your hands are full of items you cannot let go of.

9. Transcribe a message.
    a. You see someone trying to communicate across the river to someone else. They are unable to understand the message, so they look to you to help translate.

10. Become a bard.
    a. Making your way downtown, moving fast as faces pass, you're taken by the king's guards as you've been mistaken for a bard. In order to live, you must now be a bard or face retaliation.

11. Create a grand distraction.
    a. The outcomes of all the previous labors has resulted in a negative reception. Now, you must create a grand distraction and be able to escape from your predicament.

12. Escape from prison.
    a. You have been captured, but the jailor liked you, so they've set up an escape plan within the cell. Unfortunately, the jailor died before they could explain the plan, so it's up to you to solve the jailor's escape plan.

13. Introduce yourself

a. You have 30 minutes, you must introduce yourself as one of the items on the table.

14. Wear the headphones, listen and complete the tasks
    a. You will be disqualified if you remove or unplug the headphones
        i. Have it be increasingly farther away items.
15. Get this stuffed animal through the smallest gap. Smallest gap wins.
16. TWO PARTER
    a. Throw a dog treat into the fishbowl. For every throw, you must shout a sport.
    b. Based on the sport selected, create a new theme song for that sport. You have 1 hour.
17. Build a shine to Sammy C. Hawk
18. You may not say a word containing the letter S. If you do, the assistant will remove items from the shrine
19. Reenact a famous movie scene. If the Taskmaster recognizes your movie scene, you are disqualified. Best unrecognizable recognizable scene wins.
20. Call people from your contact list and say "Trick or treat". You gain a piece of candy for every 'treat' and lose a piece of candy for every 'trick.' You have 10 minutes. Your time starts now.
21. 52 Card pick-up, Include fake cards among the mix. Have one of the cards in the suit.*
22. Implement the word 'banana' in today's lecture. Everytime you say 'banana' without getting caught, you earn a piece of candy. You have 1 hour. Your time starts now.
23. Find the bookworm (worm reading book). You have 30 minutes.*
24. Perform the best home-run celebration. You have 30-50 minutes
25. Create a brand new sword, you have 45 minutes.
